HKAGE Signature Event

The Academy Awards for the Gifted 2024

To celebrate the remarkable achievements of gifted students, the HKAGE held its inaugural "Academy Awards for the Gifted" on 11 July 2024, at the City University of Hong Kong.

The grand ceremony honoured over 100 HKAGE student members across various disciplines, presenting awards for achievements in leadership, innovation, and STEAM fields. The awardees have excelled in local, national, and international competitions. Additionally, an alumna was recognised for her significant contributions to the HKAGE and society. [Read more](#)

Alumni's Story

Mr Pun Chun Sang

As a Post-Doctoral Fellow in the Department of Paediatrics at CUHK, he reflects on his childhood experience of having a tumour, which ignited his passion to become a good doctor and help others in need. Although his initial public exam results led him to study Chemistry for his undergraduate degree, his passion for science and commitment to making a difference drove him to achieve a PhD in Medical Sciences. He is now proudly recognized as "Doctor". [Read more](#)

Giving Back to the HKAGE

Being instructor in advanced level programmes

Our alumnus, Mr Chang Man Hei Jeffrey, is currently pursuing his PhD in the Urban Climate field at HKU. We thank Jeffrey for contributing his knowledge in environmental science by providing an 82-hour advanced-level programme "Analytical Research on Climate and Sustainability" at the HKAGE, where our student members learnt both theoretical knowledge and practical skills on the topic.

Alumni's Voice

Ms Bertha Chan, an alumna of HKAGE, dedicated herself to being a STEAM teacher in her former secondary school after graduation. During her own secondary school years, she participated in and won numerous local and international science competitions. Now, she is passing on her expertise as a coach, guiding her students to participate in STEAM competitions. [Read more](#)
